

Rackspace Technology Positioned as a Leader in Four Categories of 2024 ISG Provider Lens™ AWS Ecosystem Partners Report

October 23, 2024

Rackspace is noted for offering one of the most mature technologies and talent assets

SAN ANTONIO, Oct. 23, 2024 (GLOBE NEWSWIRE) -- [Rackspace Technology](#)® (NASDAQ: RXT), a leading end-to-end, multicloud, AI technology solutions company, today announced it has been named as a leader in four quadrants: Professional Services, Managed Services, Data Analytics, AI and ML, and SAP Workloads in the [2024 ISG Provider Lens™ AWS Ecosystem Partners Report](#) for the US due to its numerous AWS competencies, partner programs and the extensive AWS certifications.

“As companies are transitioning to AWS, they need a trusted partner to assist and optimize their cloud environments,” said D K Sinha, President Public Cloud, Rackspace Technology. “Our comprehensive AWS services emphasize our capabilities in AI, ML, and data analytics, along with robust managed services and professional support. All of this helps our customers to achieve success in the market.”

The AWS Partner Ecosystem assessment lists Rackspace Technology as one of 13 Leaders, having the following attributes:

- A comprehensive product and service offering, a strong market presence, and an established competitive position.
- Product portfolios and competitive strategies that are strongly positioned to win business in the markets covered by the study.
- Represent innovative strength and competitive stability.

ISG is a leading global technology research and advisory firm.

Rackspace Technology counts more than 2,700 AWS certifications worldwide with 18 AWS competencies.

“Rackspace Technology offers one of the most mature technologies and talent assets for U.S.-based clients through the AWS Cloud Adoption Framework,” said Ashwin Gaidhan, Principal Analyst and study author at ISG. “In addition, Rackspace has developed strong cloud engineering teams that can facilitate compliant, well-governed, and transparent data.” -- ISG Provider Lens: AWS Ecosystem Partners, 2024.
