

Rackspace Technology Receives Silver Award from UK Armed Forces Covenant

October 9, 2025

Award Recognizes Rackspace's Commitment to Veterans and Military Families

LONDON, Oct. 09, 2025 (GLOBE NEWSWIRE) -- [Rackspace Technology®](#) (NASDAQ: RXT), a leading provider of end-to-end hybrid and AI technology solutions, today announced it has received the UK Armed Forces Covenant's [Defence Employer Recognition Scheme \(ERS\) Silver Award](#) recognizing employers who have shown exceptional support to the armed forces community including reservists, veterans and military families.

Employers recognized have gone beyond the [UK Armed Forces Covenant](#) commitments to embed supportive employee policies, promote defence values, and advocate for service personnel in the civilian workforce with policies that include:

- Paid leave for reservist training and mobilisation
- Active veteran recruitment and retention policies
- Flexible support for military families
- Visible leadership endorsement of the Armed Forces Covenant

"Rackspace Technology is proud to support those who serve or have served in the Armed Forces and their families," said Victoria Driscoll Senior Director, Professional Services Delivery Rackspace Technology. "We are committed to ensuring our employee policies support active reservists, veterans and their families."

About Rackspace Technology

[Rackspace Technology](#) is a leading end-to-end hybrid cloud and AI solutions company. We can design, build, and operate our customers' cloud environments across all major technology platforms, irrespective of technology stack or deployment model.
