

Rackspace Technology Recognized as a Top 50 Inspiring Workplace in EMEA and North America

June 28, 2022

SAN ANTONIO, June 28, 2022 (GLOBE NEWSWIRE) -- [Rackspace Technology](#)® (NASDAQ: RXT), a leading end-to-end, multicloud technology solutions company, today announced receiving Inspiring Workplaces awards for 2022 in both [EMEA](#) and [North America](#). The Inspiring Workplaces Group (IW) announced its first ever Top 50 Inspiring Workplaces lists in both regions at awards ceremonies in London and New York City.

In its eighth year and to reflect an evolving workplace landscape, IW revamped the awards program for 2022 by requesting organization to complete an entry form consisting of six key elements. Elements the organization believes are fundamental to creating an Inspiring Workplace. They are:

- Culture and Purpose
- Leadership
- Wellbeing
- Inclusion & Diversity
- Communication
- Employee Experience

Organizations entered a category defined by how many people are within the business and the top 50 were decided by an independent expert judging panel. Rackspace Technology was named #2 in the Enterprise Business (5,000+ employees) category in both regions, #8 overall in North America, and #24 overall in EMEA.

“Our employee value proposition is that ‘Rackers are valued members of a winning team on an inspiring mission,’” says Holly Windham, Executive Vice President, Chief Legal and People Officer for Rackspace Technology. “We deliver the future for our customers by creating a culture where Rackers feel a sense of belonging and thrive by being their authentic whole selves at work. So, to receive this recognition from Inspiring Workplaces is truly special.”

Matt Manners, Founder, The Inspiring Workplaces Group commented, “Congratulations to The Top 50 Inspiring Workplaces. An historic moment. This year, the competition for an Inspiring Workplaces Award is the strongest that we have ever seen. We think that this is brilliant news. Indicative of positive, meaningful change throughout the world of work. Organizations must create workplaces that not only inspire but provide reasons to first believe in and then to feel like they also belong.”
