Rackspace Technology has been named a Leader in the 2022 ISG Provider Lens – Microsoft Ecosystems Partners US Report Azure MSP Quadrant

August 18, 2022

SAN ANTONIO, Aug. 18, 2022 (GLOBE NEWSWIRE) -- Rackspace Technology® (NASDAQ: RXT), the leader in end-to-end multicloud solutions, today announced that the company has been recognized as a leader in the [2022 ISG Provider Lens – Microsoft Ecosystems Partners US Report Azure MSP Quadrant.](#)

ISG, a leading global technology research and advisory firm, and the ISG Provider Lens™ Quadrant reports, provide valuable insights to enterprise buyers on the strengths, competitive differentiators, and unique selling points of leading service providers serving each market.

The 2022 ISG Provider Lens – Microsoft Ecosystems Partners Quadrant Report U.S. focuses on what ISG perceives as most critical in 2022 for the five key areas of the Microsoft ecosystem in the U.S.: Managed Services for Azure, Microsoft 365 Services, SAP on Azure Services, Dynamics 365 Services and Power Platform Services.

Rackspace Technology was named a Leader in the 2022 ISG Provider Lens – Microsoft Ecosystems Partners Quadrant Report U.S. based on the company's Cloud services that focus on managed Services for Azure and its long-standing reputation in the market. In addition, the Rackspace Technology customer relationships, and innovative service model with Rackspace Elastic Engineering, provide customers with access to a pod, or groups of nine architects and cloud engineers, who work as an extension to the customers' teams as they evolve to cloud-native, enabling the company to achieve the Leader position.

The ISG Provider Lens™— Microsoft Ecosystems Partners Quadrant Report compares IT service providers to reveal strengths, challenges, and competitive differentiators between them. This report can help you find the best services provider — regardless of geography — through its ranking of providers across four quadrants: Leader, Product Challenger, Market Challenger, or Contender.

About ISG Provider Lens™ Research
The ISG Provider Lens™ Quadrant research series is the only service provider evaluation of its kind to combine empirical, data-driven research and market analysis with the real-world experience and observations of ISG's global advisory team. Enterprises will find a wealth of detailed data and market analysis to help guide their selection of appropriate sourcing partners, while ISG advisors use the reports to validate their own market knowledge and make recommendations to ISG's enterprise clients. The research currently covers providers offering their services globally, across Europe, as well as in the U.S., Canada, Brazil, the U.K., France, Benelux, Germany, Switzerland, the Nordics, Australia, and Singapore/Malaysia, with additional markets to be added in the future. For more information about ISG Provider Lens™ research, please visit this [webpage.](#)

A companion research series, the ISG Provider Lens™ Archetype reports, offer a first-of-its-kind evaluation of providers from the perspective of specific buyer types.
